Our Testimonials

Don't just take our *word* for it...

"We got married here on 27/3/25 and we cannot fault the venue and the team. The different barns for each part of the day meant every aspect flowed seamlessly from one to the next.

Our co-ordinators, Clare and Leah, could not have been more helpful and nothing was too much trouble. We arrived the day before to style and set up the barns but weren't able to do everything in time. When we saw the barns on our wedding day they exceeded our expectations with how they had been styled.

The bar staff were brilliant from pouring drinks to tying together a guest's broken shoe! Thank you so much for making our day even more special."

Charlotte & Becky, March 25

I got married at Wyresdale 21/12/2024 and they were exceptional.

"Me and my partner had searched for venues and were giving up hope when we found Wyresdale. We knew straight away we'd found our venue. It's the only venue that was perfectly accommodated for summer AND winter. We had a winter wedding and the inside was so beautiful I didn't care if it rained.

Throughout the co-ordinators were so helpful and on the day they were incredible! Leah and Amy were so helpful and kind and we were so grateful to them for making the day a success!

The food from The Striped Kitchen is incredible too all our guests raved about it, the flowers from their florist were beautiful and the bridal accommodation the night before is stunning!

You will have the best wedding at Wyresdale!"

Sian, December 24

"If you want a quintessentially English, picture perfect, rustic, yet elegant venue, Wyresdale is it!

Wyresdale Weddings runs like a well-oiled machine. The team are slick, attentive, professional, discreet and absolutely nothing was too much trouble to them. They can also recommend other professional services to work alongside that know the venue and these were all amazing too - the food, the flowers and the photographers.

The location, the co-ordination before and during the big day, the friendly staff and the breathtaking venue were all key ingredients in what was the most perfect day.

I would like to thank the owners of Wyresdale for allowing weddings at their home and making it such a magical experience for us to enjoy!"
