Wedding News

As we step into a brand new year, we've been reflecting on what has been a truly magical winter here at Wyresdale Park. Our Christmas decor transformed the wedding barns beautifully, creating the most enchanting settings for our winter celebrations. This has been a wonderful addition this year and will also go up each year from the end of November.

The Ceremony Barn has taken on a beautifully whimsical feel, with a foliage arch framing the ceremony table and delicate branches adorning the beams overhead - creating a soft, romantic setting to say "I do."

In the enchanting White Barn, a stunning twig installation across the ceiling draws the space in and creates a magical, twinkling atmosphere. Greenery flows down the staircase, with elegant trees on the mezzanine (these can be moved to allow for tables).

Meanwhile, the romantic draping and twinkling birch trees in the Disco Barn adds incredible texture and softness, whilst the disco balls add that sparkle, creating the most beautiful backdrop for your drinks reception and evening celebrations.

Estate News

We are delighted to welcome another baby to the Wyresdale family - our coordinator, Clare welcomed a gorgeous baby girl, Ruby, at the end of October.

Looking ahead, January 2026 will mark the start of some very exciting building works to update the White Barn. Planned improvements include:

- New flooring with underfloor heating (no more radiators)
- A new mezzanine and oak staircase
- Beautiful oak barn doors behind the top table

We're confident it's going to look incredible. We'll be inviting all booked couples to view the newly renovated barns in March, with dates to be confirmed nearer the time - so please keep an eye out for an email.

You may have seen on our recent Instagram post that we're opening up our Main Hall and Dining Space to weddings, and we're so excited to finally share a little more with you.

The dining space will be perfect for hosting an intimate pre-wedding dinner with up to 24 family and friends - a relaxed and beautiful way to begin your wedding celebrations together.

We'll be sharing the finer details over the coming weeks, including how this space can be used as part of your wedding experience.
